## Flexi Foot Universal

The Flexi Foot Universal has three M10 inserts, offering support for small pipework and runs of cable tray, air source heat pumps and a variety of outdoor equipment. The installer is free to bolt their own strut of various lengths to suit any installation from 500mm to 3000mm in length. It can also be used to support both solar thermal and solar photovoltaic on flat roof installations.

## **Features**

- One size: 250mm
- Made from heavy duty recycled rubber
- Three M10 inserts set into the mould
